## Act Now - Back-Up Ballot Available

---

### Military Service Member:

The November 4 election is a week away! If you've received your State absentee ballot, vote and return it today. If you already applied for one, but haven't yet received it, don't worry, there is a back-up ballot at FVAP.gov.

- The back-up Federal Write-In Absentee Ballot (FWAB) online tool provides you with the candidate lists for your Congressional District. Just select your State from the drop-down at FVAP.gov under "Voters Start Here" then select get my ballot.
- If you receive your official, State ballot after submitting the FWAB, vote and return it, as well. (But don't worry; your vote will only be counted once.)
- Most States require voters to apply for an absentee ballot prior to using the FWAB; you can find your State's requirements and ballot return deadlines at FVAP.gov under "Voters Start Here."

As mail delivery times vary, it's especially important for you to know how long it takes mail to travel as ballot return deadlines approach. You can find the Military Postal Service Agency's (MPSA) mailing dates chart here:

[http://www.fvap.gov/uploads/FVAP/VAO/2014\\_mailing\\_dates.pdf](http://www.fvap.gov/uploads/FVAP/VAO/2014_mailing_dates.pdf)

MPSA provides free expedited ballot delivery and ballot tracking for you and your family members. They will place the Label 11- DOD on your ballot envelope, which allows you to track your ballot en route to your local election office at [www.usps.com](http://www.usps.com).

Help spread the word — pass this information on to spouses, voting-age dependents, other military voters and overseas voters.

**\*\* Remember — if you currently live in your voting jurisdiction, you may vote in person at the polls.**
